

Announcement
Safety, Occupational Health, and Workplace Environment Policy

Asia Metal Public Company Limited is committed to conducting business with a strong emphasis on safety, occupational health, and the workplace environment. The company strives to encourage all departments within the organization to adhere to the three key safety principles:

1. Prevent accidents and occupational diseases.
2. Strictly comply with laws related to safety, occupational health, and the workplace environment.
3. Promote safe work practices as a responsibility shared by both management and employees.

Announced on November 26, 2019.

(Mr.Chusak Yongvongphaiboom)

Managing Director
